## Finalize & Implement: Policy, Charter, SOP

Policy: Mr. Tabacchi ASD-NII

Charter: Mr. O'Connor

SOP: Dr. Bernardini

Lessons Learned: Mr. Spieler

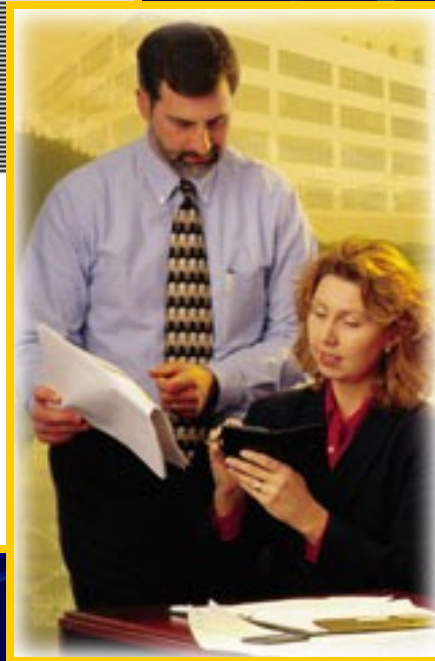

*"Provide IT standards in a faster and more efficient fashion."*

## The ITSC & ISWGs via the DISR:

- Guide the adoption of industry IT standards that support DoD joint information systems requirements

- Influences the development and implementation of MILSTDs and

# *Ground Rules...*

- Primary Objective:
  - Forward the DISR Baseline
- Poll not vote
  - To record representative's position as either yes or no for the Baseline to go forward
- Consider changes to ISWG recommendations:
  - Discuss to resolve OR
  - Return to ISWG
- Substantives
  - Requires Justification from ISWG Rep

# *Ground Rules...*

- ISWG Chairs Poll...  
Standards under review and record representative's position as either yes or no for the CR to go forward.
- When Chair's do not feel that they have general agreement and/or encounter lack of support for or against the CR they should consider the following options:
  - Discuss / resolve issues and gain general agreement to accept or reject
  - Table for further research and address again at next cycle
  - Go substantive to the ITSC

# Coming Up Next....

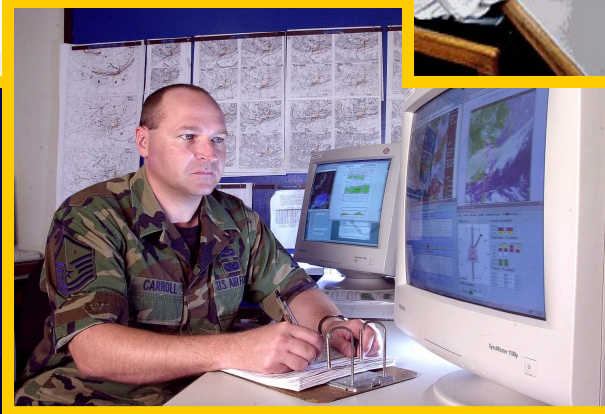

Mr. Tabacchi: 5101 Policy Stat

ISWG Chair Reports

The DISR team will be back to review: ITSC Charter, SOP, Lessons Learned, Action Items from today's meeting, and 4<sup>th</sup> quarter schedule.
